LaTeX Experience and Interest Survey

Name: _____   Email: _____

Major: _____   Program (BS/MS/MEE/PhD/Other): _____

General experience with LaTeX(circle one):

3 - significant experience producing multiple or large complex documents

2 - experience with simple documents or superficial experience with complex documents

1 - very limited experience

0 - I've heard of LaTeX

Rate the following topics.
- In the first column, rate your experience with the topic using the scale above.
- In the second column, rate your interest in the topic: 3 - great interest; 2 - moderate interest; 1 - limited interest, 0 - no interest
- In the third column, indicate your top four choices of topics you'd like to present. (1 = first choice)

experience	interest	presentation	topic
_____	_____	_____	tables & figures
_____	_____	_____	bibliography/citations
_____	_____	_____	tables & figures
_____	_____	_____	Jabref bibliography reference manager
_____	_____	_____	graphics in LaTeX
_____	_____	_____	pgfplots for plots in LaTeX
			requires at least two presentations. Would be willing to collaborate with:
			_____
_____	_____	_____	equations
_____	_____	_____	AMS equations
_____	_____	_____	beamer presentation package
			requires at least two presentations. Would be willing to collaborate with:
			_____
_____	_____	_____	fonts
_____	_____	_____	LyX WYSIWYM document processor
_____	_____	_____	boxes/spaces/lengths
_____	_____	_____	hyperref for PDF links
_____	_____	_____	lists/bullets/enumeration
_____	_____	_____	PDF tricks (balloons/video/navigation)
_____	_____	_____	LaTeX gotchas
_____	_____	_____	LaTeX in MATLAB
_____	_____	_____	creating/modifying style files and packages
_____	_____	_____	posters
_____	_____	_____	other topics of interest:
			_____
