4th Tribology and Lubrication Science Minor Symposium
Monday, Sept. 19, 2016

Please register for the event at (Deadline Sept. 2nd): https://aub.ie/tribologysymposium

This is a great opportunity to support and learn about the Tribology Minor. You will be able to meet and interview students, learn about university research, and network with others in the tribology and lubricant industry. Lunch and Dinner will be provided. Remaining funds will go toward supporting the Tribology Minor (scholarships, teaching laboratory, and operating costs).

Transportation:

Please provide your own transportation to the Auburn University campus. We are approximately 1.5 hours from the Atlanta Airport. The event will be in Wiggins Hall, Room 1409 (http://www.auburn.edu/administration/facilities/webapps/buildings/profile.php?bldg=AA_U0304).

Visitor parking permits will be provided as needed (email to request). Arrive before 7:30 am to improve chances of finding a close parking spot.

Hotel Options:

Auburn University Hotel and Conference Center (within walking distance) - http://www.auhcc.com/

Tentative Schedule of the Day’s Events:

7:15-8:15 AM  Registration and light breakfast – 1409 Wiggins Hall

8:15-8:50 AM  Welcome remarks and State of the Tribology Minor by Prof. Rob Jackson – 1409 Wiggins Hall

9:00-9:30 AM  Student mini research symposium (10-minute presentations) – 1409 Wiggins Hall

9:30-10:00 AM Chemistry and Chemical Engineering at Auburn University – 1409 Wiggins Hall

10:00-10:15 AM Break

10:15 -12:15 PM  Multiscale Tribology Laboratory and College of Engineering Tour

12:15-1:15 PM Lunch
1:30-2:00 PM  Inauguration of the Ralph Beard Fund for Excellence – 1409 Wiggins Hall

2:30-4:45 PM  Student Career Fair (Shelby Center, Lowe Grand Foyer)– Companies and trade associations that are involved and affiliated with Tribology are encouraged to interact with students that are in the minor as well as those who are in degree programs that would be enhanced with a Tribology Minor.

Please let us know if you would like to be represented at the fair. Interested companies should also create an employer profile and identify prospective Tribology Minor students at the Tiger Recruiting Link: http://www.auburn.edu/career/trl/

6:00 PM  Reception, McCartney Suite

Special notes  Sponsorship opportunities for this event are still available. Donations can be made directly online at https://cws.auburn.edu/giving/. Select College of Engineering under “Area of Interest” and then select “Tribology Gift” under “Gift Designation.”
