Auburn University
Department of Computer Science and Software Engineering
Assistant/Associate Professor – Position 4

The Department of Computer Science and Software Engineering (CSSE) invites applications for multiple tenured/tenure-track faculty positions at the Assistant/Associate/Full Professor levels to begin in Spring 2016 or Fall 2016. Salary will be commensurate with the candidate's qualifications. Responsibilities include research, graduate student supervision, graduate and undergraduate teaching, and service. For applications at the Associate and Full Professor level, a record of success in securing external funding for research is expected, and potential for successfully obtaining external research funding will be considered at the Assistant Professor level position. Ph.D. must be completed by the start of appointment. We encourage candidates from all areas of computer science and software engineering to apply.

The CSSE Department currently has 17 full-time tenure-track faculty members and supports strong graduate (M.S., M.Sw.E., Ph.D.) and undergraduate programs in computer science, software engineering, and wireless engineering. CSSE enrollment for Fall 2014 is 625 undergraduate and 110 graduate students. Faculty research areas include cyber security, high performance computing, computer and communication networks, human-computer interaction, pervasive computing, artificial intelligence, database systems, modeling and simulation, programming languages, software engineering, and wireless engineering. Additional information about the Department and faculty research interests can be found at the Department's home page (http://www.eng.auburn.edu/csse).

Auburn University is one of the nation's premier land, sea, and space grant institutions. In the 2015 edition of the U.S. News and World Report ratings of undergraduate programs, it was ranked 48th among public universities. Auburn is an institution that is both highly research-active and committed to maintaining teaching excellence offering Bachelor's, First Professional, Master's, Educational Specialist, and Doctor's degrees. Its fall 2014 enrollment of 25,912 students includes 20,629 undergraduates, and 5,283 graduate students. There are 1,209 full-time instructional faculty members distributed across nine Colleges and three Schools, with degrees offered in more than 200 academic programs. The College of Engineering has an enrollment of more than 4800 undergraduates and about 920 graduate students in eight departments. In the 2014 edition of the U.S. News and World Report ratings of undergraduate and graduate programs, Auburn’s programs were ranked 28th and 37th among public universities, respectively.

Auburn is located 100 miles southwest of Atlanta and 50 miles northeast of Montgomery, the State Capitol. The picturesque main campus covers 1,875 acres, and includes the entire southwest quadrant of the city of Auburn. The Auburn-Opelika community has a population of about 100,000, an excellent public school system, and has been nationally ranked as one of the "best small towns in America".
Applicants should apply by submitting a cover letter, current curriculum vita, research vision, teaching philosophy, and three references to:

http://aufacultypositions.peopleadmin.com/postings/1192

The applicant review process will begin October 1, 2015 and continue until successful candidates have been identified.

The candidate selected for this position must be able to meet eligibility requirements to work in the United States at the time of appointment and is scheduled to begin and continue working legally for the proposed term of employment.

Auburn University is an EEO/Vet/Disability Employer.
