SNOWMAN CATAPULT

Materials:
• Paper Cups
• Wide popsicle sticks
• Ping pong balls
• Rubber bands
• Double sided tape
• Milk jug top

Directions:
1. Stack 7 popsicle sticks on top of each other and secure them together with rubber bands on both ends.
2. Place one popsicle stick on either side of the stack so that they make a lower case “t.”
3. Secure these sticks to the stack with a rubber band at the intersection.
4. Press the two popsicle sticks together on one end and secure them together with another rubber band.
5. Use the double sided tape to attach the milk jug top to the opposite end of the popsicle stick.
6. Decorate the paper cups to look like snowmen.
7. Stack up the cups and use the ping pong balls and catapult to take them down.
