

HKN Meeting Minutes for March 11, 2008

Members in attendance:

1. Call to order 5:15 PM
2. Green room work station. (Center for Excellence)
 - 2.1. Member Byron Caudle presented a high end and low end option
 - 2.1.1. The high end option is compatible with all of the undergraduate EE labs
 - 2.1.2. The low end scope does not have enough bandwidth for the radio lab and some high speed digital applications
 - 2.1.3. High end option is \$2888
 - 2.2. Members in attendance agree that we should get the high end kit
 - 2.3. Byron Caudle has the prices for the two kits, not including shipping or tax
 - 2.4. Still need to get final approval and consult Dr. Hung about Lab IV compatibility
