OLD BUSINESS

- Banners of more recent senior design projects are yet to be hung in the hallways. Older projects have not yet been archived.
- Copier contract still has not been given to us.
- Scott has designed the banner for the downstairs case and it is now ready to be printed
- Food trays for homecoming visitors were quite expensive. Consideration should be given to other options for next year's refreshments.

NEW BUSINESS

- We will not participate in the UPC Halloween Carnival because we need to focus on uncompleted tasks.
- Need more ideas for demonstrations for BEST competition. Suggestions include the spinning marquee and some robots Steven has at home. More solutions should be generated by the Special Projects committee.
- Turkey suit fundraiser – If this is a success with the rental costume, purchase of a suit should be investigated. The following teachers will be asked to allow their names to be included in the voting: Gross, Wentworth, Greene, Hung, Ropple, Rao, Jaeger, T. Baginski, Lee, Tugnait.
- The t-shirt will be a general ECE design and not relate exclusively to HKN. Lack of creativity among membership is stalling the completion of this project.
- The possibility of meeting with the curriculum committee was introduced but more information about the time and place is needed before anyone can commit to attend and contribute.

COMMMITTEE REPORTS

- By-laws – A point system to encourage attendance to meetings and participation in HKN events will be brought to the membership soon to encourage involvement.
- Scholastic – Several members have submitted the courses they would feel comfortable tutoring and posters will soon be made to advertise the service.
- Membership – Interviewing candidates will likely be held in Broun 235.

COMMMITTEE REPORTS

- Nothing to report
