

XI Chapter Minutes
August 28th 2007

1. Call to order: 5:20 PM
2. Jordan: Appoint committee heads and members
 - a. Special Projects
 - b. Scholastic
 - c. Career Fair
 - d. Fundraising
 - e. Membership
3. Jordan Discussed radio sales – Cannot sell them, or supply store will stop carrying ALL EE supplies; also, lots of paperwork is required to sell items at profit to students
4. End of year report – Nesha agreed to help with the pictures. Brandon and Dr. Roppel volunteered to check the report over; Matt Blair can help with printing and the layout.
5. Special Projects Ideas:
 - a. Robot Competition – simple idea, all the way up to battlebots
 - b. Possibly tie-in with E-Day
 - c. Possibly host a high school robotics competition in the spring different than BEST
6. Possibly Purchase sheet feed scanner, printer –Dr. Roppel
 - a. HPC6100 - \$270
 - b. Possibly get a brother laser for B/W printing
 - c. Might be able to replace computer in Office from Dept.
7. Dr. Roppel mentioned that we might want to ask around about potential advisors since he will not have time in the future to continue; position was never meant to be a permanent appointment.
