IEEE International POWER MODULATOR AND HIGH VOLTAGE CONFERENCE

May 23-27, 2010 • Atlanta, GA

Dear Prospective Sponsor/Exhibitor:

We are pleased to invite you and your company to join the 2010 IEEE International Power Modulator and High Voltage Conference. This conference is the premier forum for the exchange and dissemination of technical information on systems and components relating to power modulator technology. The conference will be held in Atlanta, GA, at AmericasMart Conference Center, May 23-27, 2010. We anticipate over 300 attendees over the 4-day conference representing the fields of high voltage, closing and opening switches, high power microwaves, modeling and simulation techniques, accelerators, high-power sources, and power modulation applications.

We invite you to become a conference sponsor, which will provide both support for the conference as well as considerable visibility for your company. Several different sponsorship levels and opportunities exist so that all can participate. Opportunities are also available to sponsor the banquet and the special night out excursion.

Booth space for exhibitors is planned for a 4400 sq ft area located in an open >10,000 sq ft area shared with posters and refreshment tables, at the entrance to the conference session area. All breaks will be served in the exhibitor area. Our goal is to create a comfortable and inviting space for attendees and exhibitors to meet and exchange information on their needs and the solutions that exist.

With a limited number of spaces available we recommend you choose your sponsor/exhibit packages early. Priority for booth selection will be given on a first come, first served basis. We look forward to your participation in the 2010 IEEE International Power Modulator and High Voltage Conference.

Sincerely,

Scott D. Kovaleski

Additional exhibitor booths will be made available if needed. Please contact the IPMHVC Exhibits Chair, Scott Kovaleski, for up-to-date booth assignments.

IEEE International POWER MODULATOR AND HIGH VOLTAGE CONFERENCE

May 23-27, 2010 • Atlanta, GA

Exhibitor Benefit Levels and Event Sponsorships

Kilowatt \$3000 (basic booth)

- Draped booth space during the 4-day conference.
- Inclusion on the sponsor page of the conference abstract book and the proceeding book as a Kilowatt sponsor.
- One complementary* registration to the conference. Additional exhibitors must register if they wish to attend the technical sessions at the conference

Limit 1 KW sponsorship per company

Megawatt \$5000 (standard booth)

- Draped booth space during the 4-day conference.
- Inclusion on the sponsor page of the conference abstract book and the proceeding book as a Megawatt sponsor.
- Inclusion of a sponsor provided **one-page cut sheet** in the registration package for conference attendees.
- **Logo** on the inside cover of the conference abstract book.
- **Logo** on the sponsor page inside conference proceedings and CD ROM version of the proceedings.
- **Linked website banner ad** on the conference website exhibitor page. Ad will run from date of signed contract through conference end date.
- **Free high speed internet access** for 1 computer at the booth.
- **Sponsorship of two events.**
- **Half-page ad** in the conference abstract book.
- **Three complementary* registrations** to the conference. Additional exhibitors must register if they wish to attend the technical sessions at the conference.

Gigawatt \$7500 (2 standard booths)

- **Two draped booth spaces** during the 4-day conference.
- Inclusion on the sponsor page of the conference abstract book and the proceeding book as a Gigawatt sponsor.
- Inclusion of **two** sponsor provided **one-page cut sheets** in the registration package for conference attendees.
- **Logo** on the inside cover of the conference abstract book.
- **Logo** on the sponsor page inside conference proceedings and CD ROM version of the proceedings.
- **Linked website banner ad** with priority placement on the conference website exhibitor page. Ad will run from date of signed contract through conference end date.
- **Free high speed internet access** for 1 computer at the booth.
- **Sponsorship of four events.**
- **Full page ad** in the conference abstract book.
- **Two half-price tickets to a dinner event.**
