Re: Excused absence Thursday March 1, 2012

Students in CHEN4470 Senior Design Practice will attend a field trip to Evonik Degussa's plant in Theodore, AL on Thursday March 1, 2012.

The class is leaving Auburn at 6:30 AM and expect to return around 6:00 PM.

This is a very important site visit for the students, and I respectfully request that you excuse the students participating in this field trip from absence from class and allow them to make other arrangements for examinations or material due on this day.

Thank you and best regards
