

**Homework Assignment #4****ELEC 7830****Due: Wednesday, 10/25/23**

Submit by email (to [deanron@auburn.edu](mailto:deanron@auburn.edu)) by 5:00 pm Wednesday, 10/25/23, a selfie photograph of yourself next to a PV cell/module/device being used in some application. You CANNOT use a PV system on the Auburn University campus! Acceptable PV's would include home PV arrays; commercial PV arrays; PV powered road signs, emergency phones, railroad crossing gates, crosswalk lights; PV powered portable cell phone charger; agricultural PV usage; etc. Do NOT use a PV device for sale in a store: find one actually in use. In the email, give a short description of the PV system in your photograph.
