This camp is designed for rising 11th and 12th graders to explore the field of engineering. Participants will take part in a number of hands-on activities, tours of laboratory facilities, and design competitions. By the end of the week, students will discover that engineering is an exciting and rewarding field!

Cost:
The Senior TIGERS camp is offered from June 14-19. The $695 camp fee covers all educational and recreational programming, meals, t-shirt, group picture, and lodging. Our scholarships will be awarded at $347.50 to cover half of the camp cost.

Eligible Applicants:
- Rising 11th or 12th grader for fall 2015
- Interest in engineering
- Must demonstrate strong academic proficiency, leadership abilities, and desire to learn about engineering

Application Components:
- All components are required for a complete application. Only students with complete applications will be considered for the scholarship.
- Recommendation must be completed by a non-relative adult, preferably a teacher, tutor, counselor, or coach.

Submission:
- Submit the application to:
  Jessica Taylor
  Samuel Ginn College of Engineering
  348 West Magnolia Avenue
  Suite 1210 Shelby Center, Engineering Student Services
  Auburn University, AL 36849
  Ph: 334-844-4310; Fax: 334-844-2349; Email: jessica.taylor@auburn.edu
- Application and letters of recommendation must be postmarked by Friday, May 1, 2015.
- Candidates will be notified if they received a scholarship by Friday, May 22, 2015.

Applicant Resume

List any extracurricular, activities, hobbies, or community organizations with which you are involved.
Applicant Resume

List any award or honors you have received.

List any work experiences and/or internships you have had to date.
Essay Questions

Please answer two questions in 500 words or less. Type and submit the essays with the scholarship application.

1. Why do you want to participate in this summer camp?

2. What do you hope to gain from this engineering camp?

3. What is the most important engineering achievement over the past 100 years?

4. How does engineering impact your life?
The recommendation must be completed by a non-related adult; preferably a teacher, tutor, counselor, or coach.

The Senior TIGERS Engineering Camp at Auburn University is designed for rising 11th through 12th graders who have an interest in learning about engineering. We would appreciate if you explain in 500 words or less why you recommend this student for a scholarship and how they would benefit from participating in our Senior TIGERS Engineering camp at Auburn University.

Please submit this form and your recommendation letter in a sealed envelope to:
Jessica Taylor
Samuel Ginn College of Engineering
348 West Magnolia Avenue
Suite 1210 Shelby Center, Engineering Student Services
Auburn University, AL 36849

Thank you for writing a recommendation for this applicant to receive one of our summer camp scholarships. All information will be kept confidential. If you have any questions, please contact Jessica Taylor, Recruiter, at (334) 844-4310 or jessica.taylor@auburn.edu. Thank you for your time and assistance! Please submit the recommendation by **Friday, May 1, 2015.**
