

Update for Regional LTAP Virtual Meeting

Rod E. Turochy, Ph.D., P.E.

June 23, 2021

Alabama Transportation Assistance Program: Alabama's LTAP Center

- ATAP is located in the Department of Civil and Environmental Engineering at Auburn University
- As of October 2018
- Increasing its focus on traffic safety issues and providing engineering technical assistance

ATAP – Who we are...

- Kim Brumbeloe – Outreach Data Tech
- Veronica Ramirez – Transportation Engineer
- Carla Story – Financial Associate
- Rod Turochy – Director

- Vacant Program Manager position

What's new since September 2020?

- Hit our stride on virtual training! 1-2 webinars per month
 - Wider range of audience types, workshop lengths, etc.
 - Two virtual conferences (Oct 2020 and Feb 2021)
- Developed series of asynchronous 1-hour courses on Fundamentals of Roadway Geometric Design
- Planning to resume in-person workshops in September 2021
 - Retain webinars as well

Webinars: September 2020 – May 2021
