

AUBURN UNIVERSITY

OUTSTANDING FACULTY MEMBER

The Auburn Engineering student body recognizes stimulating and innovative teaching as the hallmark of excellence in education and concern and interest in personal development as a symbol of faculty commitment that goes beyond the classroom

Saeed Maghsoodloo

As students, we recognize these high standards and commend the outstanding leadership demonstrated as a faculty member in the Auburn University Samuel Ginn College of Engineering's Industrial and Systems Engineering curriculum for the 2000-2001 academic year

Larry Benefield
Dean of Engineering

Ray Eason

President of the Engineering Student Council
