

Dr. Maghsoodloo,

This card doesn't give justice to the appreciation that I feel is due you for all you did for me and all the students privileged to have you as a professor. But, I did want to tell you thank you!! It was a challenge working with you as a GTA. But, it was one of the most rewarding challenges of my life. I have learned so much from you and respect you to the utmost. Keep inspiring students as you have over the many years!!

Sincerely,
Rashaunda

Thank you
for all the ways
you give so much
of yourself.

Sincerely,
Rashaunda R Williams

P.S. I saw you at graduation but couldn't get over to you. Thank you for being there for me!! (I'll send you a graduation picture!)
