Bragging Rights

For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast.

Ephesians 2:8-9

Having received God's gift of eternal life through faith in Jesus Christ His Son, we are a group of professors, lecturers, instructors, administrators, and staff united by our common experience. We believe that Jesus Christ provides intellectually and spiritually satisfying answers to life's most important questions. We are available to students, faculty, and staff who might like to discuss such questions with us. If you would like to be a part of this fellowship, please contact John Hung, 4-1813, or Danny Blessing, 4-1459.
